WEEK IN REVIEW 06/11/2019

The weekly meeting of the Rotary Club of Pensacola was held at New World Landing on a sunny Tuesday, June 11, 2019. Members and guests received a warm welcome at the door from Frank Beall and Bobby Behr. Judy Bense and Bo Carter did a great job on ticket sales. The jackpot was won by Brian Masterson. President Betty Roberts called the meeting to order and led us in the Four Way Test and in an inspiring prayer and the pledge of allegiance to the flag. Pueschel Schneier provided sunshine and humor, introduced guests of Rotarians and visiting Rotarians and two military guests. Birthday greetings went out to Jerry Kindle and President elect John Trawick who is travelling in Germany after attending the International Conference in Hamburg. President Betty announced the call for completing nominations for the Sandra and Grover Robinson awards. The installation of Innes Richards as District Governor is set for Tuesday, June 18 at noon at the Pensacola Yacht Club. Installation and change of board for the Rotary Club of Pensacola will be Wednesday, June 19, 2019 at the Pensacola Yacht Club at 5:30. President Betty took the podium to end her year as President and provided a thorough summary of the year's accomplishments and highlights. Some highlighted areas included the addition of 11 great new members, the granting of

\$15K through Community Grants process, donation of \$10K for Hurricane Michael relief, \$10K District Grant for Studer Foundation Children's Hospital, inception and continuation of Rotaract at UWF and PSC and a very successful RYLA camp in April, 2019. President Betty Roberts, District Governor Elect Innes Richards, President Elect John Trawick, District Governor John Medina and club members Ted and Kathy Brown attended the Annual Conference of International Rotary in Hamburg Germany. President reported on the impressive meetings and sessions during the conference which was attended by 26,000 Rotarians from 120 countries and included world class speakers. President Betty ended by allowing Sally Fox to discuss the newly created emergency preparedness and response plan which she has been primarily responsible for developing with the assistance of Jerry Kindle. The plan is a document that will be used to assist the club during future disasters including but not limited to the likes of Hurricane Michael. President Betty thanked all who served with her this year and all who helped to make this meeting and all meetings this year such a great success. The meeting was adjourned

WHAT'S HAPPENING IN ROTARY

Effective July 1, 2019 the quarterly membership dues will increase to \$190. Due to numerous items including an increase in Rotary International and District dues, our weekly meeting expense, general overhead and operating expense we have to increase our dues by \$5.00 per month. This keeps us in line or below many other clubs in our area.

Effective Immediately our new member drive is taking place. Bring any potential new member to the meeting and their first three lunches are free.

Even though we have reached the end of the year it is not too late to make your Annual Pledge and Donation to support our Local and International Foundation. Pledge sheets are available at the weekly meeting or by request online.
