The Rotary Club of Pensacola District 6940 Club 4248

WEEK IN REVIEW 09/11/2018

The weekly meeting of the Rotary Club of Pensacola was held at New World Landing on Tuesday, September 11, 2018, 17 years after the attacks on the World Trade Center and the Pentagon and the near attack on the Capital. Terry Terrell greeted members and guests at the door and Lynne Tobin did a great job of ticket sales. President Betty Roberts called the meeting to order and offered a moment of remembrance for victims, survivors and heroes of the terror attacks. President Betty led us in the Four Way Test. Lisa Minshew presented the club with a flag from the Rotary Club in Iceland that she received from her recent trip. The \$54 jackpot was won by Ed Ranelli. Hugh Hamilton led us in an inspiring prayer and the pledge of allegiance to the flag. Henry Roberts provided sunshine and greeted guests of Rotarians and special guest Dan Sulger, Assistant District Governor. Two military guests were visiting the club on this date. Mike Ferguson, Charles Beall, Ellis Bullock, Charles Kahn Jr., Chris Pate, Howard Reddy and Tommy Smith were on hand for birthday greetings. The Rotary Rooters entertained with singing tributes to the enduring freedoms of this country and the significance of the Constitution and its formation. Rick Fountain introduced the speaker, Lauren Loeffler Executive Director, Career Development and Community

Engagement at the University of West Florida. We were treated to an excellent presentation on the mission and focus of the Career Development and Community Engagement division of UWF, which is an updated approach to what was once known as career services. The department is a team of professionals dedicated to providing support to students and alumni to explore and pursue a wide variety of careers and employment opportunities. The Office includes Career Education, Community and Employer Engagement, High Impact Practices/Experiential Learning and Quality Enhancement Plan. The mission is to advance the vision, mission and priorities of UWF by educating and empowering students and alumni in the career development process and by providing opportunities for experiential learning, civic engagement, community service and employment. The programs under the umbrella of "I hire UWF" focus on the student and partner companies who recruit and hire students and the successful results for both sides of the hiring process. After an informative and inspiring presentation, President Betty thanked all for serving to make the meeting a success and the meeting was adjourned.
