WEEK IN REVIEW 11/19/2019

The weekly meeting of the Rotary Club of Pensacola was held on a beautiful Tuesday, November 19, 2019 at New World Landing. Members and guests were greeted at the door by Trey Poirier. Carol Powell and Jeff Powell did a great job with ticket sales. President John Trawick opened the meeting with the four-way test. Hugh Hamilton led us in thoughtful prayer and the pledge of allegiance to the flag. Sally Fox brought the sunshine and welcomed guests and visiting Rotarians. Ed Wonders was the lucky winner of the ticket drawing and won \$3 leaving more than \$600 for next week. President John reminded that RLI applications can be done on line. Sign up for the Salvation Army bell ringing can be done on line. The dates run from November 29 through December 21. Birthday greetings went out to Skip Furlong and Charles Stewart. Mark Harden introduced Pam Rodger-son, Secretary of the Board for Favor House who spoke to the club about the wonderful work of the Favor House in assisting and protecting victims of domestic violence. FavorHouse is the certified domestic violence center for Escambia and Santa Rosa counties of District I, commonly known as the Northwest Florida Panhandle. The composition of the Panhandle is rural, urban and coastal, hence a diversity of lifestyles which includes military, manufacturing, tourism, retail, fishing, industry, and agriculture. Favor House was established In 1976,

based on a task force study concerning the housing needs of women in Northwest Florida. From that study, it was apparent there was no housing available for victims of spouse abuse and their children. To address that need the Task Force on Spouse Abuse was formed under the guidance of the YWCA. In June 1979, the Spouse Abuse Task Force became the Favor (Family Anti-Violence in Organized Response) House Advisory Council, a program of the YWCA. During that year, funding became available from the Marriage License Trust Fund. FavorHouse was the designated program recipient for funds in District I. Because of growth and expanded services, the YWCA felt it could not accept the responsibility of a growing program. Consequently in 1980, the FavorHouse Advisory Council became independent of the YWCA and incorporated as FavorHouse of Northwest Florida, Inc., and a Florida not-for-profit corporation. The mission statement is "with a commitment to excellence in our service to victims of domestic violence and sexual abuse, we actively work toward every intimate relationship to be violence free." More information on Favor House and how to make donations of needed items at www.favorhouse.org

President John thanked all who made the meeting great and the meeting was adjourned.
