WEEK IN REVIEW 12/10/2019

After being welcomed to the December 10th meeting of Pensacola Rotary Club by Rotarians Bob Rogers & Joe Rosenbaum, Club members were called to order by President John Trawick. Rotarian Grover Robinson lead the Prayer & Pledge and Rotarian Chris Kelly tapped his Irish roots as he shared jokes and welcomed guests during Sunshine.

The best news of the day came when President John shared a great update concerning Rotarian Alan Bookman. Rotarian Alan is returning to work. Looking forward to seeing him soon at Rotary.

President John reminded the assembled about the Salvation Army Kettle Drive Sign Up, Annual Foundation Member Pledge, New Member Drive and Rotary Leadership Institute accepting registrations for 2020.

Rotarian Charles Thornton had the pleasure of introducing New Member Lawrence Powell. Rotarian Lawrence is the Neighborhood Administrator for the City of Pensacola. Excited to have Rotarian Lawrence as a member of Pensacola Rotary.

Rotarian Mark Harden introduced the meeting's program: Coach Todd Leonard of Head Coach of the Pensacola High School Football Team.

Coach Leonard completed his first campaign this past Fall with a record of one win and nine losses. The Tigers were a young squad that Coach Leonard described as a very good junior varsity team playing a tremendous schedule that featured five perennial powers, two of which played for State Championships this season. Throughout the season, there were small victories that signal great things are ahead for the Tigers.

Off the football field, he mentioned that students in ninth grade remedial classes have a sixth-grade reading level. As a twelfth grader, these students have a sixth-grade reading level. Many of these same students come from homes that do not have a male influence.

A self-described average guy with tenacious determination to make a difference, Coach Leonard is instilling a culture that is teaching how to win at both football and life. Recognizing that it takes a village to help raise young people, Coach Leonard and his staff have chosen to be transformative by investing in relationships. Through the vehicle of football, the coaches are able to help the young men understand what it means to possess "grit," having what it takes to get through difficult times. Coach Leonard will judge his ultimate success by how many of his players use their God given talents to be productive in society.
