## WEEK IN REVIEW

The weekly meeting of the Rotary Club of Pensacola was held at New World Landing on a rainy Tuesday, August 11, 2015. Mike Layton greeted members and guests at the door and Kathy Horton-Brown handled ticket sales. President Andrea Krieger called the meeting to order with the four way test and words to remember and inspire from District Governor Leon Hirsh. President Andrea welcomed Special Guests - Dawn Novy and Rob Engel from the local chapter of the Boys and Girls Club, recent recipients of Club Grants for this year who thanked the club for all the support this year and in past years. Shawn Brantley provided prayer and pledge and Richard Sherrill added a little sunshine, introduced the day's Military Guest, Lt. Lance Herndon stationed at NAS Pensacola and welcomed the guests of members and Visiting Rotarians. Birthday Greetings went out to Charles Gund.

De Flounlacker introduced the program speaker, Rotarian John Peacock, Five Flags Rotary Club and Chair of the Pensacola Downtown Improvement Board. The Downtown Improvement Board was organized in the 1960's in an effort to revitalize the Downtown Area and remove blight from urban core. Today the DIB is going strong with a five member Board of Directors comprised of downtown

property/business owners who govern the agency and set policy and over 100 volunteers who are business/property owners and/or residents within the Downtown District serving on one or more of the eight committees that help guide the DIB Board of Directors. The Board's policy direction is implemented by the Executive Director's oversight of a multi-disciplined management team.

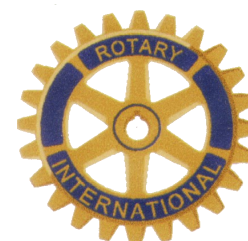

The DIB's Mission Statement and Goals & Priorities for the 2015 Fiscal Year are to continue the removal of commercial blight, enhance property values, encourage economic development, attract commercial and residential development into the urban core, and beautify Downtown Pensacola by attracting more quality retail establishments to Downtown, increasing residential offerings and occupancy, increasing visits to downtown by tourists and non-residents and increasing community awareness about the value of Downtown.

The Pensacola Downtown Improvement Board (DIB) is an independent state agency funded by a special tax levy on properties within its district boundaries. The district consists of 44 blocks that encompass the urban core of downtown Pensacola. The DIB collaborates with VISIT PENSACOLA to ensure that Historic Downtown attractions,

shops, art and entertainment venues and the vibrant downtown nightlife are part of all visitor information about the Pensacola Area. The DIB and its supporters and committees are responsible for Gallery Night, Public Art, Family Friendly events, Bike and pedestrian friendly areas in and around downtown. The Downtown Business core consists of more than 40 Restaurants and Bars and 40 + excellent retail establishments. Future plans involve moving outward from Palafox Street with beautification projects, preparing "landing" spots for visitors arriving daily, starting in 2017, on the Beach Trolley and improved parking and trash pickup.

After a lively discussion and questions from the audience, President Andrea thanked all who served and the meeting was adjourned.

## ROTARY WHEELS

- ❖ T'was good to have a visit from Marvin Kaiman. For younger members, Marvin was a member beginning in 1972. He operated SFK Steeland Autoshred.
- ❖ See where Lou Ray and Malcolm Thomas squared off in bringing data on a new election to decide whether the school superintendent might change to appointive. (That would be attempt #5 or #6.)
- ❖ Judy Bense has set up several scrimmages for the oncoming football team.
- ❖ Betcha didn't know that New World Landing's buildings originally housed a high tech printing plant.
- ❖ WHEELS took a survey...and found that kids LOVE the park!
