## WEEK IN REVIEW

Members were greeted on a rainy summer day by Earl Hutto and Art Hufford. Raffle ticket sales were handled by Beverly Jackson and Randy Jackson. John Shaffer was the lucky winner of the \$53 raffle – congratulations! President Andrea Krieger opened the meeting and led the members in the 4 Way Test. Scott Grissett delivered the prayer and pledge, and Sally Fox entertained us with her Sunshine Report and introduced our military guest, Lieutenant Robert A Doss III, and his lovely wife. Lieutenant Doss is the son of our very own- Christina Doss. We are always happy to welcome these fine gentlemen to Downtown Rotary. We were also pleased to welcome other guests to the meeting.

There were several announcements. President Andrea pointed out that annual Doers and Givers forms were on the luncheon tables. She reminded us of the importance of contributing to the many causes we support locally and internationally. The District Governor asked her to remind us of the relative low cost of

our average dues when considering our annual contribution and when recruiting new members. The United Way Annual Meeting is next Thursday the 27<sup>th</sup> at 11:30am at First Baptist Church. Malcom Thomas and outgoing President Gary Simmons will be the keynote speakers. President Andrea thanked Scott Grissett and John Monroe for their work on the future of our club's involvement with the Salvation Army Bell Ringing Project. The Rotary Rooters then performed. They sang songs commemorating World War II.

DeeDee Flounlacker introduced Alan Grey and Steve Dana as our speakers for the day. Steve and Alan were there to speak on behalf of the Vision Pensacola Bay Bridge Project. Vision Pensacola is a passionate group of local citizens encouraging the Florida Department of Transportation to deliver design excellence for our new Pensacola Bay Bridge and its northern landing. They support the fact that our community deserves a bridge that exemplifies structural art and will be a

sense of pride for Pensacola for decades to come. They also focus on the fact that the bridge northern landing will need to properly balance our traffic capacities with its demand, allows for efficient emergency management, and provides safe pedestrian and bicycle access to our waterfront. Three public workshops will be held in the coming weeks by the FDOT aimed at prioritizing the transportation needs for our area. The times and locations are as follows: August 24 - Perdido Key Community Center – 15500 Perdido Key Dr. - 5 to 6pm, August 25 - Gulf Breeze Community Center Room 209 – 800 Shoreline Dr. - 4:30 to 5:30pm, and August 27- UWF Commons - Bldg 22, RM 265, 11000 University Pkwy - 4:30 to 5:30pm. Alan and Steve strongly encouraged us to attend one of these meetings to voice our opinions.

President Andrea thanked all that helped to make our meeting a success and adjourned the meeting.

- ❖ Congratulations to Bobby Switzer and his brothers for their ongoing continuing support for the arts program at PSC. Years ago their support was responsible for the Anna Switzer center at the college, back when Rotarian Charles Atwell was PJC President.
- ❖ It was good to see Marvin Kaiman back for a visit.
- ❖ Did you know that Ted Nickinson is a reading monitor for students at the Studer Elementary School?
- ❖ Betty Roberts was honored recently for her work in a student counsel aid at PSC.
- ❖ When our club was founded the city's major sports were played at Mexant Park on the west wise.
