The Rotary Club of Pensacola District 6940 Club 4248

## WEEK IN REVIEW

The weekly meeting of the Rotary Club of Pensacola was held at New World Landing on overcast Tuesday, October 13, 2015. Team Maygarden – Jerry and Tripp greeted members and guests at the door and Rex McKinney and Glenn McDonald handled ticket sales. Past President David Stafford called the meeting to order with the four way test. Leanne Todd won the raffle of \$45. Alan Bookman led the way with the prayer and pledge and Grover Robinson provided the sunshine. Visiting Rotarians and guests were introduced and recognized. Past President David made a special announcement about the Waterfront Mission Gala on November 15, 2015. Rotary Club of Pensacola is reserving a table and seats are available. See Chris Kelly for details.

De Flounlacker introduced the program speaker, Detective Jeff Brown, Pensacola Police Department. Det. Brown is also a sworn deputy with the Escambia County and Santa Rosa County Sheriff's offices. He works in the Cyber Crime Division and Cyber Security areas of the PPD and is a certified

crisis negotiator. Det. Brown delivered a very informative talk about Cyber Security for Businesses, Cyber Security for your home and Cyber Security for your children. Some facts about cyber crime are that the United States is the 3<sup>rd</sup> most hacked nation in the world. Most cyber crimes do not involve the misappropriation of funds. Most cyber crimes involve the theft of personal information in order to sell that information to others who would commit crimes using the false identities and information obtained as a result of the hacking. Personal information regarding customers or employees can and should be protected by using complicated passwords and vigilance with regard to the use of wireless applications and Wi-Fi internet access. Home personal information can also be protected with the use of complicated passwords that change frequently. Detective Brown suggests the following be strongly considered for homes and businesses and parents to help guard against cyber crimes and hacking. Use complicated passwords, have two accounts for the internet access – one for personal or

customer information and one for guests communications. To eliminate hacking activities overnight or when the computer is not in use un-plug the router instead of just shutting down the computer. Be wary of spam or any unusual e-mails with attachments. Purchase and update anti-virus software. Det. Brown advises parents to watch out for cell phones, gaming devices and other digital access by children. Know their passwords and check their activity regularly. Be wary of cell phone applications where children are concerned. SNAPCHAT and other similar applications should be avoided. According to Det. Brown Smart phones with all their enhancements can be just as dangerous as guns when they are mishandled. More information can be found at the website for National Center for Missing and Exploited Children at [www.missingkids.com/NCMEC](http://www.missingkids.com/NCMEC).

Past President David thanked all who served and the meeting was adjourned.

## ROTARY WHEELS

- ❖ With Veterans Day approaching let's all give an attaboy to Mark Harden for his regular service in having service personnel at our meetings.
- ❖ John Appleyard's a great-grandfather once more. Young Jordy was born Columbus Day.
- ❖ Did ya know that back away Carl Mertins was president of the Florida Bankers Association?
- ❖ As they celebrate their 50<sup>th</sup> year members of the Pensacola Heritage Foundation remember that our good members Lou Ray and David Del Gallo were once their presidents.
- ❖ In our club's founding year the I&N's coal tippie had reported that it was common to have six vessels at a time lining up to lead coal at the Muskogee Tipple.
