WEEK IN REVIEW

We were warmly greeted at the door by Tony Neuner and Eric Nickelsen. Raffle tickets were sold by Hill Turner and Tim Kane.

Our meeting was called to order by President Andrea who delivered the Governors Leon's 100 hundred words. She also reminded us that there are five openings for RYLA, and reminded all to get their nominees signed up.

Dr. Roberts led us in Prayer and Pledge after offering a moment of silence for the victims of the Terrorist attacks in Paris. Richard Sherrill graciously filled and delivered sunshine. He introduced our two military guests. Happy Birthday

was sung to Leslie Halsall, Issa Eptimios, and Skip Furlong. Ted Brown won the \$43.00 raffle.

Mark Harden then introduced our guest speaker -- Captain Keith Hoskins, the Commanding Officer of Pensacola Naval Air Station. Captain Hoskins, who has been our guest speaker once before greeted us with a big Happy 100th Birthday to the club. He explained that the tightened security aboard the base was a direct order from D.C. in an effort to safeguard and protect all on board the base. The bases mission is support the Fleet, Members and Families. He also explained about the ship currently operating at the base has extended its

stay there. NAS is one of only four bases in the continental United States that has both an Airfield and a Port, which makes it a valuable asset to the military. He also explained that they have increased training with other branches of the military, such as the Air Force. All of these things help to ensure that our base remains an important part of our community. Captain Hoskins finishes his tour as Base Commander next year.

President Andrea closed the meeting and reminded everyone to sign up for the Bell Ringer Program. This year we will be at the Entrance and Exit of Sam's Club.

ROTARY WHEELS

- ❖ Last week's program and military guests showed how much the club benefits from the many contacts Mark Harden has.
- ❖ The way UWF sports program are expanding the WHEELS may have to add a section to quote Judy Bense on the happenings. Now it's basketball, soccer, volleyball and the follow up of football. Perhaps the club should be planning some group attendance at future events.
- ❖ This is the time to watch the trimmings in the Coe Hardware emporium. They always have a bright face on Christmas.
- ❖ Congrats to Alan Bookman. His legal role has just gained a new award.
- ❖ During our club's first year quotes from members said that the best lunch at the San Carlos was the hot roast beef sandwich. The reports were good. These past few Tuesdays members have been smiling again, at everything including the pie.
