

the HELICOPTER

The Rotary Club of Pensacola District 6940 Club 4248

WEEK IN REVIEW 11/21/2017

A crisp fall morning welcomed our Rotarians as they made their way to New World Landing for some fellowship and nourishment. Lawrence Van Hoose greeted the members as Marty Long and Henry Roberts provided ticket sales for the 50/50 raffle.

President Paul started the meeting with some historical notes followed by Art Hunnel with prayer and pledge. Preston Forshee presented our Sunshine with some comical annotations and recognized our guests along with our members celebrating birthdays. He honored our military guests, LTJG Jessica Tibbs USN and 1st LT Ruben Garcia USMC, for their service and sacrifice to our great nation. This was followed by the drawing for the 50/50 raffle which was won by a delighted Ken Hill collecting \$47.

John Appleyard submitted a resolution

for Roger Doyle which was seconded and agreed upon by all attending Rotarians. Followed by Dr. Henry Rogers recognizing three Paul Harris Fellows Tim Cane, Peter Doyle and Chuck Michaels.

President Paul presented Nancy Fetterman with the 2016 Sandra Robinson Award for her outstanding contributions to the community. The Sandra Robinson award is given to non-Rotarians to recognize outstanding contributions to the community and who embody the values of service over self.

Grover Robinson introduced our guest speaker Joann Vanfleteren of the Pensacola Remote Area Medical Clinic (RAM). Joann spoke upon the mission of RAM which is to prevent pain and alleviate suffering by providing free quality healthcare to those in need. She continued with their vision to be the best

at operating clinics which enhance quality of life through the delivery of competent and compassionate health care to those who are impoverished, isolated, and underserved. Joann addressed their philosophy which is part of a larger effort to bring people together to address health care issues in their community and see those communities transformed for a better and healthier future. Joann concluded with a personal story about a woman who required substantial dental work which was performed by RAM. The woman was very grateful and told Joann how their service improved her quality of life.

Respectively submitted by Art Hunnel.
