Pints for Polio Event

Annual Pledge

The Helicopter Committee still needs people!

In following the precedent set by Ed Wonders, Bruce proceeded to give the following run down of what happened on this date.

Brian Wyer was the winner of the drawing and drew a King and won \$10.

John Shaffer did Sunshine, with no great applause! LOL

Guests were – Ashely Wilken, Steve Nissim from the Studer Institute and back-up for Dan Shugart, Tony Eubanks(pastor) Amanda Stem ^ Steve Danna? (not sure of any of the spellings)

Ed Wonders introduced the guest speaker, Dan Shugart, from WEAR-3. In 1980 he came from Los Angeles, CA to Pensacola. In 1981 Dan started with WEAR-3. Dan's father was an All American at the Naval Academy.... And defying all odds, graduated with a degree in History.

Dan Shugart, Why did he grow his hair out at 67 years old? Because he can...., but seriously folks....missed a hair appointment, COVID, etc ultimately his wife, Beth likes it long! He misses Steve Nissim at WEAR-3. Jay Hawks – It's a hardship, but he will not spend 30 minutes talking about the jay hawks. They are riding the emotions of a 2-10 season! FSU – Better this year. Offensive Line is finally "veteran" but they were not really good last year. Long way to go. They need to recruit more. Florida gators – Not a fan of dan Mullin. Billy Napier from Clemson, AL will have to run the ball. Defensively a year away. Favorite is Desmond Watson. They typically have the worst opener but not this year, they are playing Utah. Bama – Best 2 players in the nation. Coach says attitude is good and that typically means talent will follow. Auburn – Coach may have to win 6 out of his first 3 games to keep his job. Georgia – Will they repeat? Short version of the answer... NO. Tulane – Another team that is 2-10. May want to hang out with the Jayhawks. Western Kentucky – UWF student looked great! UWF – Everything that Pete Shinnick said last week. David Durden...one of the best QBs. Looks promising. Home games on campus. LSU vs. FSU – No prediction. Brian Kelly is called a lot of things but "free-spirited" wouldn't be one of them. Change of culture. Do you like the college players getting paid? – No. UCLA going to the Big 10 – hate it but necessary. Ole Miss QB hard to replace. Go Navy Beat Army (easiest question during lunch) Arkansas – Plays physical, not necessarily good. Milton High School – QB did amazing. Pine Forest High School has enough talent to do really well.

President Bruce thanked everyone who served to make this a great meeting.
