WEEK IN REVIEW

Rotarians received a warm greeting today from Eric Nickelsen and Ric Nickelsen. President Ray called the meeting to order and led us in the four-way test. Prayer and pledge was led by Martin Harwood.

Announcements began with Rodger Doyle sharing the good news that our very own Roger MacDonald recently won a Gold medal in table tennis and a Gold medal in badminton! President Ray then congratulated Innes Richards on her Paul Harris (plus three) recognition and her husband Ron did the honors of putting on her new pin.

Rotary Foundation request for giving forms were distributed and President Ray encouraged all Rotarians participate.

Maria Goldberg sold quite a few raffle tickets today. The lucky first-time winner was Dr. Morris Eaddy, taking home \$73.

Mr. Sunshine, Al Stubblefield

welcomed all military guests, guests of Rotarians, and visiting Rotarians. He then told a funny math joke the crowd enjoyed. Al announced those with birthdays and led the club in singing Happy Birthday to You All accompanied by John Appleyard on harmonica.

Chris Kelly introduced today's speaker, Bentina Terry, VP External Affairs & Corporate Services at Gulf Power Company. Bentina's presentation was about the Florida Chamber Foundation's 2030 Project which is a strategic plan for the state of Florida. She described the new change management system that includes a long-term focus; one shared agenda; metrics, benchmarks, accountability; and coordination of efforts and resources.

The vision encompasses prosperity and jobs; vibrant communities; and global competitiveness. Bentina spent time discussing the Six Pillar

Framework and each of the key pillars for success which include:

1. Talent & Education
2. Innovation & Economic Development
3. Infrastructure & Growth Leadership
4. Business Climate & Competitiveness
5. Civic & Government Systems
6. Quality of Life

The metrics for each of these pillars can be found at www.FLFoundation.com. In closing, Bentina encouraged everyone to commit to change, get involved and take action.

President Ray adjourned the meeting, thanking all who had made the meeting possible.

Respectfully submitted,
Sherry Hartnett.

ROTARY WHEELS

- On August sixteenth our second most senior member Henry Cary will blow out 93 candles. He's a Pensacola native.
- Lots of speculation on where Evon Emerson's career path may turn now that her chamber successor is on board.
- See where Susan O'Connor is busy whipping up oatmeal recipes... now that McDonald's will offer the Scottish breakfast as a morning special.
- Nigel Allen and Dale Knee have just distributed the Hospice annual report. Big numbers. Over 6,500 assisted in 2009...and 61,000 since the opening twenty-seven years ago. Our late Sam Goldenburg was a big contributor.
- See where Jean Norman and the United Way team have begun fall action. The United Escambia theme has a more precise focus this year.
- David Stafford has spent MANY recent hours training the more than 800 men and women who will be precinct polling clerks on August 24th.
- Workmen are putting down the sod and planting the shrubs for Andrea Farage's new Ronald McDonald House...set to open soon.
- Glad to report that Handsell Butts is making good post-surgical progress.
- John Clark's scholarly articles have won him two National Mature Media Awards, and Donnie McMahon's agency has been named 2009's National Flood Insurance Program leader of the year.
