WEEK IN REVIEW

Ah ... time for another day of Rotary fellowship as all headed through the doors to be greeted by Hugh Hamilton with a smile and a handshake. Next step was probably a visit with Will Hart who was peddling raffle tickets.

President Keith began the meeting on a somber note with a moment of silence for Sam Goldenberg who passed away recently. Prayer and pledge was skillfully delivered by Bob Gaines. A few notes included that the Rotary Change of Command will occur on the 6th of June at Heritage Hall – please make reservations if you plan on attending and it will count as a makeup. Scott “The Ball Hawker” Grissett who coordinated the golf ball drop for the recent district meeting, handed out the prizes for those who donated from our club. Winners included Paul Young who won a lunch with “the fellows”, Margret Stopp who took home cash -- \$500 no less, and for the lucky

Judge Terry Terrell, an autographed picture of Scott to cherish – what a treat!

Jerry Maygarden introduced our newest member – his son – “Trip” Maygarden. Trip has made his way back to Pensacola as an attorney after attending University of Alabama and Cumberland law school in Birmingham. Welcome aboard Trip!!

The recession raffle was won by repeat visitor, maybe a member soon, Scott Gillium.

RP Doyle delivered a brief bit of sunshine recognizing our visitors, guests, birthday boys and girls, and military.

Program: Dr. Jimmy Jones introduced Captain May Alice Morrow, Commanding Officer of Naval Hospital Pensacola. This being nurse recognition week, CAPT Morrow went on to discuss a little about what nurses are doing in

support of the various actions around the world. A nurse by trade herself and the first nurse to ever head the Pensacola Naval Hospital she mentioned that on 9/11 she was across the street from the Pentagon and actually treated wounded from the attack. One of the biggest differences for nurses recently was the care of prisoners from Iraq on the hospital ship USS COMFORT early on in the war or more recently the non-combatants. She co-authored a book on the subject of dealing with prisoners and what to do and not to do. In Afghanistan, the military is actually working with the government to build up the standard of care for the country since little exists. There is only one hospital in the country that even comes close to providing the quality of care that the US enjoys.

ROTARY WHEELS

Hats off to Bo Carter and his recently merged/enlarged bank for receipt of an Ethics Award from the Better Business Bureau.

Sorry to report that Walter and Mrs. Strong, Salvation Army chiefs, will be leaving our scene for a new assignment in Cocoa, Florida. AND...didjaknow that Lavonne Agerton and Ted Brown are ongoing members of the Army’s Advisory Board?

Word is that the Council on Aging will roast good member John Clark, citing his many contributions.

Don Haferkamp is justly proud of the work his committee did in staging the annual Crawfish Festival.

And, add another star on the 450th Anniversary celebration as Coy Irwin and others staged a colorful recreation of the siege climax between Britain and Spain in 1781.
