WEEK IN REVIEW

Randy Jackson and Earl Hutto greeted all Rotarians, visitors and guests with a warm greeting and firm handshake. Carol Law and Martin Harwood sold raffle tickets.

President Keith Bullock called the meeting to order and led the group in the Four Way Test, followed by Grover Robinson who led us in the prayer and the Pledge of Allegiance.

President Keith then called upon Dr. Jimmy Jones to introduce our guests and visiting Rotarians provide our sunshine. He also recognized our members celebrating birthdays this week and the membership sang Happy Birthday to those present. The birthday celebration and singing was handled joyfully with our piano accompaniment again provided by John Appleyard.

The raffle drawing with \$59 in the pot was awarded to Bill Dollarhide (better save some for those DIB parking tickets). Dr. Jones then introduced our military guests. Ens. Troy Kellogg and Lt. Nick Zimmerman. Lt. Zimmerman hails from Wisconsin and is a graduate Embry-Riddle and completed two deployments as a pilot of the MH 60F Nighthawk and is a flight instructor.

Ens. Kellogg hails from Traverse City, Michigan is a student training to become a Naval Flight Officer at VT - 10. Dr. Jones invited our military guests to the stage where he thanked them for their service to our country and presented each with a piece of fine, imported china to commemorate their visit to our club.

President Keith then gave the floor to John Appleyard to present a special resolution recognizing and saluting the life and generous spirit of Sam Goldenberg. John read the resolution to the club which then unanimously moved for its adoption and filing in the club's official record with a copy of the resolution to be forwarded to Sam's family.

David Stafford then introduced our speaker, Lee Little, Executive Director of the "The Global Corner International Learning Center." More and more, we live in a global community. To be competitive in the global markets, our children must be educated in the other cultures and languages that they will encounter as adults. The studies show that introducing foreign languages to children at an early age stimulates learning and higher thinking.

Therefore, the Global Corner was established to facilitate this learning. The Global Corner takes its programs to the schools and provides the children with "passports" to have stamped when the students have completed various activities such as "heritage", "music/dance", "art", "culture" and "literature" for the culture being presented. The passport contains simple vocabulary words covered in the classes so that the students may take them home and have them for review.

The Global Corner is a 503(c)(3) organization. Already, the Global Corner has reached over 7,500 students in Escambia County with hopes of reaching 7,500 to 10,000 students in the coming year. As a not-for-profit, contributions are appreciated and tax deductible. A fund raiser "Zumba Thon" for the Global Corner International Learning Center is planned at the Episcopal Day School Gym on June 20th. For information, please contact the Global Center at 850-332-6404 or visit their website at www.TheGlobalCorner.org. To register for the Zumbathon, contact Priscilla Leibig at prisann@hotmail.com or Jamie Aylstock at Aylstock2@yahoo.com.

ROTARY WHEELS

Jerry Maygarden has not only ushered his son into club membership...but he now can prepare for the son's wedding, upcoming soon.

Ron & Innes Richards were present for the organizational meeting of the new Seville Rotary Club this month. Among the organization's sixty charter members there is a Bullock...and meetings are being held in Jack

William's Lily Marlene Room (The membership is quite young, far different from the look of our own club not many years ago.)

Judy Bense and staff have a new turf to defend. There is a political undercurrent seeking to move the site of the planned Maritime Museum Maritime Park.
