The Rotary Club of Pensacola District 6940 Club 4248

WEEK IN REVIEW 02/05/2019

The February 5th, 2019 meeting of the Rotary Club of Pensacola took place at New World Landing. Members and guests were warmly greeted by Buck Lee and Marty Longworth. Sorna Khakzad and Trey Masterson sold a significant number of raffle tickets.

President Betty opened the meeting by leading us in the Four Way Test. Jimmy Jones offered a prayer (reminiscent of Saint Francis of Assisi), then led us in the Pledge of Allegiance to the Flag. John Appleyard offered a resolution remembering the life and contributions of recently deceased member Dick Sherrill. The motion to approve passed unanimously.

President Betty reminded us of the following upcoming events:

We have an opportunity to tour the Naval Flight Academy on Feb. 20th from 3:00-4:00.

The 2019 District 6940 Conference will be April 4th through 7th at Sandestin Golf and Beach Resort. We are seeking nominations for the 2019 Ethics in Business Awards.

Next, member Preston Forshee addressed the club and encouraged us to sign up for the Annual Rotary Against Hunger Project. The event takes place February 16th at Manna Food Pantries. There are two time slots available, 8:00am-10:00am and 10:30-12:30am.

Vince Currie was the lucky winner of the 50/50 Raffle netting \$49.00.

Dale Jordan handled Sunshine duties. He entertained us with several of Rodney Dangerfield's self-deprecating one liners. These "jokes" were followed by several of Lucille Ball's witty words of wisdom. Dale then introduced our two military guests, three guests of Rotarians and five visiting Rotarians. We then recognized our four club members celebrating birthdays within the week.

President Betty introduced our guest speaker **Ildi Hosman**, Area President

of Junior Achievement of Northwest Florida. Mrs. Hosman grew up in nearby Milton, graduated from the University of West Florida, and has been the Executive Director of Junior Achievement of Northwest Florida for the past two-and-a-half years.

2019 marks Junior Achievement's 60th anniversary in Pensacola and 100th nationally. Our speaker asked for a show of hands by members who had served as JA volunteers. Many members raised their hands.

JA partners with business people who volunteer their time in our local schools. Sharing their backgrounds and hands-on experience, they help young people understand the economics of life.

Last school year, Junior Achievement of Northwest Florida reached over 5,300 students with financial literacy education in over 230 classrooms in 29 schools with the assistance of more than 100 volunteers. There are several ways to volunteer, including assisting at Junior Achievement career days.

Funding for Junior Achievement programming comes solely from grants and corporate and individual donations. Mrs. Hosman thanked us for the financial support RCOP has provided in the past.

She also encouraged us to participate in this year's annual fund raiser, Mardi Gras Bowl 2019. The event will be held March 8-9 at Cordova Lanes. Proceeds from the fund raiser typically fund about one third of Junior Achievement of Northwest Florida's yearly expenses.

Before concluding her presentation our speaker fielded several questions from some of those in attendance.

President Betty thanked all who assisted with the meeting and then we were adjourned.

Respectfully submitted by Mike Layton.
