

the HELICOPTER

The Rotary Club of Pensacola District 6940 Club 4248

WEEK IN REVIEW 04/24/2018

The April 24th meeting of the Downtown Rotary Club was held at New World Landing. Guests and members were warmly greeted at the door by Jimmy Jones. Ticket sales were handled by Lori Kain and Chris Kelly. They did an amazing job with a total prize of \$74.00

President Paul called the meeting to order and led us in the 4 Way Test. Dede Floundlacker led us in the Rotary Prayer and then the pledge of allegiance. President Paul told us that Gene Norman's son had passed away on Saturday. There was an editorial in the Sunday Pensacola News Journal written by our very own John Appleyard. Ed Ranelli introduced our newest member, Angela Hahn. Angela is the chair for the Health & Sciences Department at the University of West Florida. Welcome, Angela. President Paul announced the Ethics in Business Meeting will be held on May 7, and there will be no regular meeting on May 8. April 30th, is the end date for free lunches for potential new members, but this might be extended in an effort to increase membership. Innis Richards is meeting with the Impact 100 group to discuss a potential grant for Phase 2 of the Playground.

Sally Fox introduced our visitors, did her fabulous Boudreaux jokes, introduced visiting Rotarian's, and announced the birthdays for the week.

Dan Sulgar was our guest speaker. He is the District Membership Chair for Rotary. He asked the question – Why join Rotary?

1. Friendship: Rotary provides one of the most basic human needs, the need for friendship and fellowship.

2. Business Development: Everyone needs to network. Rotary consists of a cross section of every business.
3. Personal Growth and Development: Membership continues ones growth and education human relations and personal development.
4. Leadership Development: Rotary is an organization of leaders and successful people. Being a part of Rotary is like a college education, Leadership-learning how to motivate, influence, and lead leaders.
5. Citizenship in the Community: Being a member, makes one a better community citizen.
6. Continuing Education: Every week there is a program designed to make us better informed.
7. Fun: Rotary is fun. We have fun projects, great community activities and much, much more.

There are many other reasons to join Rotary. But the main one's are about yourself. If you want to be involved in the community in a meaningful way, join Rotary. If you want to meet interesting people, if you want to learn more about becoming a leader, Then Rotary is for you. Good friends, a chance to make a difference, and the opportunity to grow as a person. What more could you ask for.

President Paul then thanked the volunteers and adjourned the meeting.

WHAT'S HAPPENING IN ROTARY

- ❖ Don't know whether Martha Saunders is a golfer, but her UWF Men's Golf Team swept the area championship last week.
- ❖ Those who recently tried to reach Betty Roberts by phone failed ...'cause they say she's in Europe.
- ❖ If you're in the neighborhood take a look at the ground work in progress behind the Wentworth Museum. Rob Overman's spade men are moving rapidly to place historic markers there.
- ❖ Bret Barrow's symphony has published the upcoming concert schedule, which will bring some wonderful talent and music to the area.
- ❖ Malcolm Thomas's new history of the local school system has been delivered, John Appleyard was the collaborator.
- ❖ Scott Grissett, who has been a hospital steward for some years, was sitting in this week on the regional meeting of the new IRIS company, which has brought a new health care industry to town. Their offices will be in the ISIS building.
- ❖ So sorry to report that Jean Norman's son has passed away. Joan has been at his bedside in Washington for some time.
