## WEEK IN REVIEW 07/23/2019

The weekly meeting of the Rotary Club of Pensacola was held at New World Landing on Tuesday, July 23, 2019. Members and guests received a warm welcome at the door from **Dede Flounlacker**. Rick Fountain and Alan Bookman sold raffle tickets for a chance to win a big jackpot. The old game has a new twist. Raffle winners get to draw from a deck of cards and if the Joker is drawn, the winner gets the pot. Draw any other card and the winner gets the dollar amount at face value of the card. The drawn card is removed from the deck to increase the odds of winning and the remaining pot amount rolls over each week increasing the jackpot. Charlie Sherrill II won \$2 on his lucky draw this week. Next week's jackpot will start at \$149. **President John Trawick** called the meeting to order and led us in the Four Way Test. **Pueschel Schneier** led us an inspiring prayer and the pledge of allegiance to the flag. **Paul Tobin** presented Dr. Nell Potter with the Sandra Robinson Award for 2019. She is being honored for her lifelong work in the Community both in the profession of medicine, most particularly her dedication to student health and in support for the Arts. Dr. Potter and her husband, Dr. Jim Potter, a former Navy flight surgeon have lived and worked in Pensacola for over 30 years. She is a founding

member of the Pensacola Opera and the Pensacola Symphony and a deserving recipient of the prestigious award. Cedric and Lindsay Durre were introduced as the newest members of the club. They transferred from the Seville Club where they met. Collier Merrill delighted us with Sunshine and introduced two military guests, two members of the Pensacola Police Department and guests of members who joined us today. **Will Hart** was on hand to celebrate his birthday today. **Bob Overton** introduced the two Speakers today from the Pensacola Museum of Art which is now under the umbrella of the Historic Trust of the University of West Florida. Nicholas Croghan, Director and Chief Curator and Anna Wall, Assistant Director and Curator for the University of West Florida Museum of Art provided a lively update on the museum activities for the past year and a preview of some great upcoming exhibits. Along with showing in excess of 20 great exhibitions, the museum has hosted several summer "camps" offering learning experiences in the arts such as photography and ceramics. Of special significance is their work with autistic learners and their creative camp for Autism going on this week. President John thanked all who served to make the meeting a success and the meeting was adjourned.

## WHAT'S HAPPENING IN ROTARY

**Our new Helicopter Committee Chair is Randy Ray.** Randy has expressed his need to recruit members to join his committee and assist in taking minutes at the weekly meetings. Depending on the number of members on this committee you would only be required to take minutes about every 5-6 weeks. You can contact Randy at [randalay@me.com](mailto:randalay@me.com).

**Our new member drive continues.** Bring any potential new member to the meeting and their first three lunches are free.
