## WEEK IN REVIEW

A taste of Fall was in the air as Rotarians strolled into the meeting to be greeted by Don Haferkamp as Bob Palmer and Julie Tippins Parker sold raffle tickets.

President David kicked off the meeting with the Four-Way test and Grover Robinson led all in the prayer and pledge. President David then went on to thank the members for their recent financial support of Rotary International and that plans are well underway for the Club's 100<sup>th</sup> anniversary coming in calendar year 2015. A few other notes included that on 4 November we will have a CROP Military appreciation luncheon and there will not be a Tuesday meeting. Also, Gulf Breeze Rotary is hosting a 5K run and if interested in a trip to Costa Rica the Cantonment Rotary is planning a trip for their "eye" program.

Congratulations to members Dale Knee and Jerry Maygarden

who were recognized for achieving another Paul Harris level.

After Dr. Jorge Pelaez won \$57, Bob Mills livened up the meeting with some Sunshine, birthday recognition, and a joke about how small children determine if cats are alive.

Jerry Maygarden introduced the program: Dave Wilderbrandt – President of Baptist Hospital. Dave who has been to the Club before, discussed the benefits of the recent collaboration, "a clinical association" between the Mayo Clinic and Baptist. Mayo approached Baptist in this "new" partnership as a way to gain a footprint in certain areas without having to acquire hospitals. There are 17 Mayo clinics nationwide and the closest to Pensacola is Jacksonville, Florida. Mayo has 58,000 employees and over 3,800 doctors. As far as what we will see locally, most of the interaction will be between the physicians at Mayo and Baptist

– and mostly transparent to the patients. Some Mayo programs being implemented include: eConsults, "Ask Mayo Expert", Mayo Healthcare Consulting, and Mayo Branding. With eConsults, local Baptist physicians can request a consult from Mayo's best practices and within 48 hours a consult will be available aiding in diagnosis and treatment. Other benefits include reduced travel for patients, seamless case transfer to a Mayo clinic if required, and no additional cost to the patients for access to any of the Mayo services. Dave also mentioned that he sees unprecedented change coming to the health care system as we know it; all in the name of cost reduction because of how the payment system is changing. We adjourned shortly before 1:00 p.m.

Respectfully submitted, M. Clark Merritt.

## ROTARY WHEELS

- ❖ See where Allison Rogers and the county's legal staff have much to do in transferring operation of the jail to the county. When that's all in place, perhaps she and Grover might provide a program with current interest.
- ❖ Courtney Dell and the Ballet will help celebrate Halloween with four performances of Dracula! (Please keep the blood off the stage.)
