WEEK IN REVIEW

From a hot August sun to a cool and friendly meeting room, arrivals were greeted by Tim Kane and Nathan Kahn with raffle tickets offered by Brendon and Chris Kelly. President Andrea rang the meeting to order and led us in the Four Way Test followed by Hugh Hamilton for our prayer and pledge to our Nations flag. Andrea announced that Ed Meadows will lead the Rotary Leadership Seminar September 13. You can access enrollment through www.rotary6940.org. Sunshine brought us Chris Kelly to introduce visitors, visiting Rotarians and our military guest representing the USMC and USN. He also tickled our funny bone with some special humor. Chris, with the help of John to get us all on key, led us in "Happy Birthday You All". And

Betty Roberts carried off the \$50 pot.

Our program was presented by Mike Dinwiddie, marketing director for the Pensacola Little Theatre. PLT is wrapping up their 2013-14 season and are now starting the 2014-15 season with "Annie Get Your Gun", September 12-14th and 18th- 21st. Performances are made up of volunteer actors, stage hands, ushers, and others who have a passion and love for the theatre. It is a big family who has fun.

Mike introduced Jennifer Godwin who is the director of the PLT education department. A graduate of UWF with a film production degree, Jennifer always had a love for acting and has been involved in it professionally for over 10 years.

One of their programs is "Acting Up" for school kids who wish to learn about and be involved in theatre. They put together scripts, build stage props and costumes. It is a great can do attitude builder for students. They also work with the Escambia School District to get teachers and students more involved in theatre.

The group was treated to a performance of "Doing What Comes Natur'ly" by cast members. It was excellently presented and enticed us all to visit the Pensacola Little Theatre. For upcoming events and shows please go to www.pensacolalittletheatre.com

Doing what comes natur'ly, Chris Pate for the Club.

ROTARY WHEELS

- ❖ In his role with Sunshine, Scott Garrett has hinted that he once played football. And, that IS a fact. He played in high school, then had two years as a guard at Suwanee.
- ❖ Didjaknow that John Phelps has relocated Mayes Printing to a new location. However, the business survives. It is one of the oldest continuing commercial names in our community.
- ❖ Continuing quick looks at the club's past: Since the 1960s our club helped found eight others in this district. And, sadly, five of the men who served as president in the past thirty years will not be with us when the centennial is celebrated.
- ❖ From 1915 forward, nineteen members of THIS club have served on the city council. (There have been other councilmen from other Rotary clubs.)
