## WEEK IN REVIEW

Members were welcomed to the meeting by Chris Jensen and Ron Jackson. Raffle ticket sales had a new twist with the signs that said, "Please Give." This new approach worked resulting in an \$84.00 raffle. Jeff Lewis was the lucky winner. President Andrea Krieger opened the meeting and led the members in the 4 Way Test. Dr. Henry Roberts delivered a beautiful prayer and the pledge, and Scott Grissett, as always, entertained us with his great wit during the Sunshine Report. He introduced First Lieutenant Sage Santangelo who hails from Ft. Collins Colorado as our military guest. Other guest and fellow Rotarians were also welcomed to Downtown Rotary.

President Krieger made an appeal to the membership to fill out the Doers & Givers forms and to do what we can for local and international Rotary projects. She reminded us of this week's United Way annual meeting and shared that Cliff Payne received a Rotary grant award of \$102,425.00. Aaron West from Pensacola State College Foundation thanked us for what we do to change lives through our scholarship funds.

We were very happy to see two new members joining Downtown Rotary. Courtney Dell introduced Preston Forshee who is transferring from Seville Rotary to our club. Preston is an associate at McDonald, Fleming, Moorhead. He is a native of Pensacola, has an LL.M. in Taxation from the University of Alabama, a J.D. from

Charleston School of Law and B.S. in Political Science from Birmingham Sothern College. Preston is married to Kaitlin who is a dentist in Pace and they have one daughter.

Innes Richards introduced Randy Ray to our club. Randy attended UWF and received a Bachelor's Degree in Sociology, a Bachelor's Degree in Psychology and a Masters in Industrial Organizational Psychology. His accomplishments include: vice president of the UWF sailing school, Junior Achievement, and photography classes for youth at NAS. He also taught Human Resources at Rice University. Randy retired after many leadership positions and extensive travel with Shell Oil Company and decided to move back to Pensacola. He is an avid sailor, is married to Kim Ray and they have two grown children.

DeDe Flounacker introduced our guest speaker, Dan Shugart. Dan said he had been presenting to us for 25 years and that he should know the 4 Way Test by now but he always stumbles over, "Fair to all concerned," since he is a reporter. Dan began his college football update with the Alabama Crimson Tide, he sees a big question about the quarterback situation, defensive line is in place with 7 key players; Florida State, great running game, defense a little thin re: depth, offense may take a little time since some players don't have good experience; Florida Gators, lot of stupid penalties, offense may be a

mess again; Auburn Tigers, they are better than the final record last year, benefited from holding their standards, good offense and running line; LSU Tigers, almost solved the quarterback problem through suspension, Harrison & Jennings are good, running game good, lot of attrition with defensive line; Georgia Bulldogs, he likes Georgia, should win the East, 3 quarterbacks are good, defense really good, best in league in running the ball, offense good but sometimes Georgia can disappoint with mistakes; Vanderbilt Commodores, he wore their colors to our meeting because they don't usually offend anyone, they are in a transitional building mode – decent – but lacking some talent they had a few years ago. He thinks the Final 4 will be TCU, Auburn maybe or Alabama, USC, and Ohio. DeeDee asked him what he loved about Pensacola and his answer was, "The Promise," we treaded water for a while but he is excited about the way things are evolving and it will be a good future for our children. We will definitely miss Dan Shugart if he retires next year!

President Kieger thanked all who attended today's meeting, recognized our birthday honorees for a total of 117 combined years in Rotary and adjourned the meeting.

Respectfully submitted,  
Sandra Smith
