WEEK IN REVIEW

The last weekly meeting of the Rotary Club of Pensacola for 2015 was held at New World Landing on a sunny Tuesday, December 15, 2015. John Phelps welcomed members and the many guests at the door, the atmosphere was festive for the Holiday meeting. Tim Kane and Charlie Sherrill did a great job of ticket sales. President Andrea Krieger called the meeting to order and led us in the four way test. Ed Meadow was the lucky winner of the jackpot. Earl Hutto led us in the prayer and pledge and Frank Beall provided Sunshine for the Festivities and welcomed the many guests of members who attended with spouses and friends to enjoy the Holiday meeting. Birthdays were recognized for many club members from December 15 through January 4, 2015. The program for the meeting was a delightful smattering of all things good in Pensacola and the highlights of the many cultural and entertaining activities available for enjoying the Holidays in our wonderful area. Courtney Dell spoke about Ballet Pensacola's annual performances of "The Nutcracker"

scheduled for December 18-21st as well as the other performances throughout the area during the Holidays. Scott Barrow provided the schedule of performances for the Pensacola Symphony highlighting the New Year's Eve performance of the music of Elton John and Billy Joel. The Pensacola Symphony is performing at the Holiday Concert in Seaside the weekend of December 18th and will perform the annual "Beethoven and Blue Jeans" concert on January 9, 2016. President Andrea reminded all of us of the blessings of living in Pensacola with a list of activities on tap in the downtown area, such as Gallery Night, Winter Fest, Children's Christmas Chorus, Pensacola Little Theater and Pensacola Museum of Art. The Rotary Rooters rounded out the meeting with a historical look at Pensacola's Holiday traditions and everyone participated in the singing of the Twelve days of Christmas. After a great meeting and a wonderful time with friends and family, President Andrea wished all a blessed and Happy Holiday and the meeting was adjourned.

Members were invited to the Maritime Park immediately after the meeting for the unveiling and presenting of a plaque honoring the Rotary Club of Pensacola for the construction of the Centennial Park. The plaque was installed by the Board of Directors of the Community Maritime Park Association and recognized the good works of the Rotary Club of Pensacola. Many members attended, President Andrea and Past President John Shaffer relayed the appreciation of all members for the assistance and support of the Community Maritime Park Association, the City of Pensacola, John Tice, Architect and the Morette Company and all the supporters for their combined efforts resulting in such a great project.
