## WEEK IN REVIEW

What an amazing turnout for our weekly meeting. In spite of the fact that the weather outside was so spectacular. There were no empty tables at all. In fact, they were guessing that we might have to add tables.

Rotarians and guests were warmly greeted by Ken Woolf and Francis Yeo. Raffle tickets were sold by Blaise Adams and Scott Adams. What a great job, with a total of \$58.00 collected.

Our meeting was opened by our very own President Andrea with a warm greeting and comments from District Governor Leon Hirsch. Prayer and pledge was led Chris Jensen. Doing a great job, as always. Sunshine was delivered by Frank Beall, who introduced

our guests. Included were our military guests – Lt. Justin Rumps and Flight Instructor Christopher Perrit. Lt. Rumps expressed an interest in receiving more information on becoming a Rotary Member.

Julia Brady with ECARE was in attendance selling tickets and we were reminded by Innes Richards about the upcoming Rotary Institute at PSC.

Past President Ray Jones introduced our guest speaker – Our very own President Elect, Brian Baumgardner. Brian, who is CEO and President at West Florida Healthcare. Brian spoke to us regarding healthcare today with a focus on the importance of maintaining good healthcare providers and services in our

area. HCA has more than 58,000 employees with West Florida Healthcare employing more than 1400 here locally.

He spoke about the new guidelines that have been created with the implementation of the Healthcare Act. He endeavored to help us all understand the new laws and their effects on everyone. It not only has an impact on patients, but also a tremendous impact on services provided by medical institutions.

The meeting was adjourned by President Andrea.

Respectfully submitted,

Marty Longworth
