# the HELICOPTER

The Rotary Club of Pensacola District 6940 Club 4248

WEEK IN REVIEW 10/31/2017

## ROTARY WHEELS

- ❖ Sandy Ray, who last week had a birthday, began her local career as a marketing specialist with Eastern Airlines. That tour ended in January...1991.
- ❖ See where Dave Meadows is trimming the grass, getting ready for PSC's 70<sup>th</sup> anniversary, coming up next September. The original facility there had 13 members.
- ❖ President Paul is sorting through a cache of member photos, the newest of which were taken in 1967. Those still with us (like Handsell Butts) looked VERY YOUNG.
- ❖ When the Rooters told the Halloween Night Fire story they were welcoming as members their first lady additions. Hopefully there'll be additions when the next program is sung in December. (Oh...next month will mark the 20<sup>th</sup> anniversary of the Rooters)
- ❖ Members Frank Beall, Bill Stafford and Skip Furlong are saying that seniors retirement at Azalea Trace is mighty fine. AND...they all remember that longtime member Pat Groner is credited with the beginnings of The Trace.
- ❖ John Clark and Council on Aging were the big winners in 1<sup>st</sup> weekend's BIG local fundraiser.
- ❖ Bob Switzer hints that there'll be several completions in about 60 days in the remodeling of the Brent Block.
- ❖ Glad to hear that Earl Hutto may be back with us regularly shortly.
- ❖ Exactly 100 years ago several club members were actively a part of the grand opening of the Big Pensacola Shipyard, on Bayou Chico.
- ❖ And looking back again, fifty years ago members Frank Welles and Francis Taylor were shutting down E. Saunders and Warren companies.
