

the HELICOPTER

The Rotary Club of Pensacola District 6940 Club 4248

WEEK IN REVIEW 01/09/2018

The weekly meeting of The Rotary Club Downtown was held at New World Landing on Tuesday, January 9. We were graciously greeted at the door by James Stohlanske and Margaret Stopp. Ticket sales were handled very aptly by Tommy Tait.

The meeting was called to order by Past President Sherry Hartnett, who then led us in the 4 Way Test. Sherry is standing in for a recovering President Paul, who is reported to be recuperating nicely. He should be able to attend meetings later this month and possible resume his duties as President of the club by early next month. Preston Forshee then led us in the prayer and pledge. Scott Grissett then took over the podium for Sunshine. We had no military guests, but Scott introduced our visitors and visiting Rotary Members. Lew Doman was called to the podium to introduce our new member, who happens to be a past member and is

Lew's son Mike. He is a realtor in Gulf Breeze and is a graduate of University of South Alabama. He is married to Joni and they have three children. Please join us all in welcoming him back to the club.

Betty Roberts then came to the Podium to ask for everyone's help planting trees this upcoming Saturday at seven of our local schools. All volunteers are greatly appreciated.

Mark Harden introduced our guest speakers for the day. They were Billie and Robert Nickelson from the local chapter of the Freedom Foundation of Valley Forge. Mr. Nickelson was dressed as Francis Scott Keys and put on a presentation explaining how "The Star Spangled Banner" song came to be written. He went on to explain the purpose of the foundation and all of the programs they sponsor to encourage good citizenship. The Freedoms Foundation at Valley Forge was

established in 1949 by prominent business leaders to foster patriotism and good citizenship through educational programs. President Dwight Eisenhower served as chair or chair emeritus until his death in 1969. The foundation sponsors Educational Programs such as History encounters travel program, Spirit of America Youth leadership program for teens, service learning in public policy for college bound teens and graduate credit/professional development workshops and seminars for educators. They also recognize exemplary civic achievements through its National Awards Program. The program honors the exceptional efforts of individuals, organizations and schools that promote the ideals of responsible citizenship.

Past President Sherri then thanked the volunteers who assisted with today's meeting and adjourned.

WHAT'S HAPPENING IN ROTARY

Thank you President Elect Betty Roberts for overseeing the tree planting project of Rotary International President Riseley, "Plant a Tree for Each Member". Betty organized the planting of trees at seven school locations in Escambia County. Excellent job Betty.
