WEEK IN REVIEW

Rotarians and guests gathered at the Change of Command Celebration held in the evening at Heritage House on Tuesday, July 7, 2009. President Keith called the event to order and welcomed all attending that he had been looking forward to the Change of Command. President Keith also noted that the year was much easier than anticipated due to the support from board members, chairs and general membership doing a great job. He heartily thanked everyone.

President Keith and Ron Richards introduced in the rear of the room the new Rotary of Seville who were standing. The new club was chartered May 31 with 60 members mostly under the age of forty. He presented the Rotary International Charter certificate to the new club and wished them well.

Rev. Frank Beall gave the prayer and led us in the Pledge of Allegiance. Members said the Rotary Four Way Test. Alan Bookman illuminated the evening

with Sunshine via a hint of legal rhetoric but with a four joke limit. Those having birthdays were also recognized.

The Rotary Rooters entertained with history and song from the 1960's. Many remembered the songs and the events. John Appleyard's talent once again rose to the occasion.

Margaret Stopp presented the Grover and Sandra Robinson Awards. These are both special awards to reflect the memory, leadership and community support both Grover and Sandra gave to the community. Jerry Maygarden was presented the Grover Robinson Award for his outstanding contributions and positions held in government and his leadership in so many aspects of business and the community. Quint Studer was presented the Sandra Robinson Award for his many contributions both financial and personnel to enhance business, civic, sports and future development in the

community.

All present stood with applause.

President Keith praised and thanked his Board of Directors; Ron Richards District Governor; Council Chairs and all committee members for their hard work; being outstanding Rotarians and making this year so successful. He also mentioned those who had passed during this year and a moment of silence of respect was given.

After much applause and appreciation from those present, President Keith came to the moment to pass the pin and gavel to our new President Margaret Stopp. Margaret gladly accepted the pin and gavel and gave a rousing talk of strategic plans, introduced new board members and talked of the training she had recently received to take on the challenge of Rotarian President. After much applause for her vision, she adjourned the meeting.

ROTARY WHEELS

Sorry to report that Bob Palmer and his family suffered a serious home fire recently. Damage to garage and attic plus smoke problems throughout. No injuries.

Didjknow that incoming president Margaret Stopp was one of the principal authors of the proposed new charter for the City of Pensacola?

Don Haferkamp's health care laundry service has built a \$7 million 60,000 square foot plant in Quitman, Georgia.

John Phelps is mighty proud of the fact that his firm now dates back a century, to the time of a newspaper mogul and printing pioneer who was a community leader.
